

# In the Beginning

Words by Marilyn Alexander

Traditional Melody

In the be - gin - ning God cre - a - ted the hea - ven and the earth, and

Gen - e - sis states He did it this way: God just spoke the words, and the

thing was made, but He formed man from a lump of clay. SUN - DAY:

Light; MON - DAY: Sky; TUES - DAY: Dry ground and plants; WEDNES - DAY:

Sun, moon, and stars; THURS - DAY: Birds and fish; FRI - DAY: An - i - mals and man. Cre -

a - tion was com - plete! It was all ver - y good!

Students may sing loudly or shout the days of the week and quietly sing the thing God made (since He merely spoke "and the thing was made," or two groups may sing antiphonally the days and the created thing.
