

Holding Up Hands

The Amalekites fought the feeble

In Rephidim one day.

**When Moses held his
hands up high,**

The battle went his way.

**Holding up hands,
holding up hands;**

Pray for those who fight.

Holding up hands, holding up hands;

The Lord will always do right.

**When Moses got tir'd, he just could not
Hold up his hands anymore.**

**So Aaron and Hur sat him down and then
Held up his hands as before.**

**Holding up hands,
holding up hands;
Pray for those who fight
In the Air Force,
In the Army,
In the Coast Guard,
In the Marines,
In the Navy.**

**Holding up hands, holding up hands;
The Lord will always do right. (repeat)**
